

Heart & Lung Centre

Celebrating

20 years

**18,000
hearts**

**900 cardiac
surgeries
each year**

**500
thoracic
surgeries
per year**

**Evolving from
open to minimal
access thoracic
robotic
interventions**

**Opening in 2004, providing
treatment for cardiac
and lung disease for a
population of over 1.3
million in and around the
Black Country.**
